Worship Thought

Testimonies for the Church Volume Six

The Observance of the Sabbath pg. 365 – 366

The church of God below is one with the church of God above. Believers on the earth and the beings in heaven who have never fallen constitute one church. Every heavenly intelligence is interested in the assemblies of the saints who on earth meet to worship God. In the inner court of heaven they listen to the testimony of the witnesses for Christ in the outer court on earth, and the praise and thanksgiving from the worshipers below is taken up in the heavenly anthem, and praise and rejoicing sound through the heavenly courts because Christ has not died in vain for the fallen sons of Adam. While angels drink from the fountainhead, the saints on earth drink of the pure streams flowing from the throne, the streams that make glad the city of our God. Oh, that we could all realize the nearness of heaven to earth! When the earthborn children know it not, they have angels of light as their companions. A silent witness guards every soul that lives, seeking to draw that soul to Christ. As long as there is hope, until men resist the Holy Spirit to their eternal ruin, they are guarded by heavenly intelligences. Let us all bear in mind that in every assembly of the saints below are angels of God, listening to the testimonies, songs, and prayers. Let us remember that our praises are supplemented by the choirs of the angelic host above.

Doxology

Open our eyes, Lord, We want to see Jesus,
To reach out and touch Him. And say that we love Him.
Open our ears, Lord, And help us to listen
Open our eyes, Lord, We want to see Jesus.
