Worship Thought

Testimonies for the Church Volume Six

The Observance of the Sabbath pg. 405-406

It is possible to be a partial, formal believer, and yet be found wanting and lose eternal life. It is possible to practice some of the Bible injunctions and be regarded as a Christian, and yet perish because you lack qualifications essential to Christian character. If you neglect or treat with indifference the warnings that God has given, if you cherish or excuse sin, you are sealing your soul's destiny. You will be weighed in the balance and found wanting. Grace, peace, and pardon will be forever withdrawn; Jesus will have passed by, never again to come within reach of your prayers and entreaties. While mercy lingers, while the Saviour is making intercession, let us make thorough work for eternity. The return of Christ to our world will not be long delayed. Let this be the keynote of every message.

Doxology

Open our eyes, Lord, We want to see Jesus,
To reach out and touch Him. And say that we love Him.

Open our ears, Lord, And help us to listen
Open our eyes, Lord, We want to see Jesus.
